Our Mission

3

Ensure patients and families feel informed, supported, and cared for.

4

Build trust with transparency, compassion, and professionalism.

Our Vision

To be the **trusted bridge** between patients in Cambodia and world-class healthcare, ensuring safe, timely, and effective treatment with dignity and peace of mind.

Our Service

At 360 Five Medicare, we offer comprehensive support services designed to make the medical journey smooth, safe, and stress-free for patients and their families. Our solutions are personalized to each patient's condition, preferences, and logistical needs.

Hospital & Doctor Selection

We help patients choose the most suitable hospitals and specialists based on their medical condition, treatment requirements, and location preferences. Our recommendations are guided by clinical expertise and our partnerships with top-tier healthcare providers.

Appointment & Consultation Coordination

We help patients choose the most suitable hospitals and specialists based on their medical condition, treatment requirements, and location preferences. Our recommendations are guided by clinical expertise and our partnerships with top-tier healthcare providers.

Medical Visa & Travel Assistance

Our team handles visa documentation, flight bookings, and itinerary planning to ensure smooth travel for both patients and their accompanying family members.

Accommodation & Local Support

We arrange comfortable, safe accommodations near treatment centers, tailored to the needs of patients and their caregivers, with 24/7 local assistance for added peace of mind. We also provide transport service for pickup and drop-off to airport and during their stay.

Language Translation & Interpretation

We provide professional translation and interpretation services to ensure clear and accurate communication between patients and healthcare providers, removing language as a barrier to care.

End-to-End Patient Support

From diagnosis to discharge and safe return home, we offer dedicated guidance at every step of the healthcare journey. Our goal is to be a reliable partner through every phase of treatment and recovery.
